Dear Honorable Jared C. Bennett,

RECEIVED US Dist Court-UT
MAY 01 '23 PM01:10

I have reason to believe that the defendants of this case, Sonia Sotomayor, Elena Kagan, and Ketanji Brown Jackson, who are current Justices of the Supreme Court of the United States, broke their oath of office by voting against hearing the Raland J Brunson's case docket #22-380 of the US Supreme Court.

This case, docket #22-380 is about Pres. Biden, V.P. Harris and then V.P. Mike Pence, and 385 members of congress including House Speaker Pelosi, who thwarted the proposed investigation into the allegations that there was interference in the 2020 Presidential election.

I urge you to give these three defendants an opportunity to explain and defend themselves as to why they thought it was important to vote against the hearing of the said Raland J Brunson case. Let this case move forward. Let me along with "We the People" know that this court will protect the US Constitution by allowing the defendants to answer the Complaint.

Respectfully,
